

## **Upcoming Gatherings—An Important Message from Manor Church**

We are gathering for **worship services online, via live-streaming only**. Live-streamed services are available each Sunday morning at 9 and 10:30 am. We are excited to be able to gather again in-person and will keep you posted on when we will be meeting in-person.

**Our Christmas Eve services will be live-streamed on Wednesday, 12.23 at 6pm and Thursday, 12.24 at 4pm and 5:30pm.**

PA state leaders recently issued new directives regarding gatherings and safety measures, including a solid, caring appeal to faith communities to assist with wise choices and alternative methods of gathering. We are very grateful that across 2020, Manor Church has made great strides in our online, live-streaming capabilities and opportunities. Throughout the COVID-pandemic, we have aimed to blend wise safety with courageous ministry decisions. It's all about Jesus! We are passionate about his life, love, and work flowing through our lives, love, and work. And that includes our passion to keep individuals and families safe through the pandemic.

We deeply wish we could maintain our in-person gatherings during this Christmas season! And we know it's essential we do our part, aiming to stop the spread of the virus. We rejoice, knowing that we can still have very meaningful gatherings in the coming weeks via live-streaming. Take heart! It's always true, but especially at Christmastime, we can encounter Christ's hope and peace, his Good News of comfort and joy.

Thank you for continuing to pray, care, and share so deeply with one another during this challenging season!
