

# Live SENT

*Mark 1:2-8*

Recall a time your life was changing up—heading in a new direction—for the good.

What happened? What marks that season in your memory?

Read [\*\*Mark 1:1-8\*\*](#).

Ponder these 4 essentials for living sent:

- Prepare by clearing the clutter.
- Get in the water.
- Do and say things different from the crowd.
- Spotlight Jesus!

Which of these really grabs your heart, encouraging you right now? Why?

Which of these feels extra-challenging right now? Why?

What's your action-plan, one or two steps you'll take to act on one or two of these essentials?

## **Get Ready for Next Week:**

Read through Mark's Gospel, 2 or 3 chapters each day.

Reflect on Jesus and his friends. How do they live sent? What are those postures, priorities, and practices you want to pursue?
