

Live SENT

Mark 1:16-20

Read the passage and ponder these questions:

- What was unique about their culture around Galilee?
- How was fishing different compared to our fishing today?
- What's fascinating and challenging about Jesus' call to these men?

Are you ready to live sent? Why or why not? What are you sensing about Jesus' call on your life?

- What can following Jesus and living sent look like in our lives today?
- To whom are you sent? Who are your "fish?"
- Who's on your fishing team and why?
- What might be your "old nets" you need to leave?
-

How is Jesus challenging you today to *live sent* and what will you do about his call?
