

The Jesus Way

When you ponder “influencers” and “followers” in pop culture, who comes to mind?
Read [Mark 1:14-20](#).

What most readily surprises you in this story?

How is Jesus’ call to these men unique? What’s at the core and heart of his call?

How do they respond?

Ponder the following three clauses.

“Come, follow me.”

What does Jesus urgent invitation really entail?

What do you think it means to come and follow Jesus in 2025?

“I will show you how.”

How is this promise significant? What’s Jesus saying he will do?

What might it look like for you to let Jesus reshape, reform, and recreate you in this season of life?

“To fish for people!”

What do you think Jesus means?

Where, when, how, and with whom might you “fish for people” in the days and weeks to come?

Reflect on these 5 decisions to follow Jesus’ way

1st Decide what nets and boats you need to leave behind.

2nd Decide to come and intentionally be with Jesus more.

3rd Decide you'll join Jesus "net work."

4th Decide you'll follow immediately.

5th Decide you'll deeply commune right now.

How can you take action-oriented, tangible steps in each of the five?
