Ponder these right heart verdicts and ways to pursue justification in King Jesus:

- Trade your proud façade, your external religiosity for a humble heart.
- Stop your proud, judgy, superior, moralistic, ultra-religious, high-and-mighty outlook toward others.
- Stop seeking praise from others, relying on external labels, outward success! Live for the Lord's praise!!
- Accept the truth: God's true, right, impartial judgment means we are all sinful, in need of Jesus' saving grace for us. His judgment is right on target.
- Thaw out your cold, calloused, presumptive heart. Repent while there's still time!
- Trust King Jesus—his gracious salvation—to make your heart right!
- Become an inside-out person!

Which of these can you apply right now for right heart? What might be some outcomes when you do?
