

RIGHT

Reflect on a situation that suddenly turned very wrong, and you wondered how it could possibly be made right.

How did you feel? What happened?

Read Romans 5:1-11 and explore these amazing results of being declared right in Christ Jesus.

Right with God results in peace with God (vs. 1-2).

Right with God results in hope, even in suffering (vs. 2-5).

Right with God means he loved us at our worst (vs. 6-8).

Right with God results in our being reconciled (vs. 9-11).

Which of these stirs you to rejoice and celebrate in bigger, brighter ways? Why?

Make it personal!

Stop trying to earn what Christ already secured.

View suffering through the lens of hope.

Marvel at the love of God.

Which of these motivates you to live more faithfully? Explain what that might feel like and look like for your coming week.
