Recall a time when something gained a makeover on the outside (like new paint or landscaping). What transpired?

Read ***Romans 6:1-4***. Reflect and explain one or two key ideas you sense the Apostle Paul is communicating.

Baptism reveals on the outside what's been made right inside through faith in Christ and his gracious work!

Jesus works his gracious change in heart mindset, manner and methods of living, plus motivation and life mission!

How do these concepts match your original understanding of baptism?

How might one or both of these challenge or change your original concepts about baptism?

Upon listening to people share their faith stories/testimonies, what do you find most encouraging? How are you stirred on your own faith journey?
