A Day with Jesus—Supernatural in the Ordinary

Jesus offers supernatural freedom in our everyday battles and models an identity shaped by presence with the Father.

Luke 4:31-44

What do we learn about God?

What does he say?

What does he do?

What vibe does he give? (Culture does he create)

What was his mission?

What do we learn about the characters in this story?

Synagogue crowd, demon-possessed man, Simon's mother in law, Simon's late night house guests, etc.?

What did you think these people understood about who Jesus was?

How are the characters changed by their time with Jesus?

Belonging in the Jesus community means—

- The supernatural gets normalized, it will get weird
- Untouchables are embraced, Jesus restores
- Jesus is in charge, prepare to surrender
- Our stories matter, its God's marketing scheme
- Power comes from presence, stop the hustle
